Information about the Log Book

Liability Insurance:

We suggest you to take a liability insurance already **during** the training in Aquatic Bodywork.

Procedure to receive the diploma:

When all the required modules are completed, send a copy (not the original) of your logbook, with all your certificates and diplomas, to "Le Centre" in Bousval (Rue du Domaine de Négri 7, 1341 Céroux-Mousty, Belgium).

For the land modules, send the copies of the certificates of attendance in **chronological order**. They need to contain the following information: organizer and method of the class, date, place, the teacher's name, and amount of hours.
